**Mo, 16. Januar 2017:** 9-13 // 14-15 (Raum EG 10)

This interactive seminar will address various aspects of the broad concept of lifelong learning for musicians and will encompass amongst other things:

- the understanding of relevant learning theories underpinning Lifelong Learning;
- biographical learning and its implications for musicians and their professional development;
- learning as a musician in social contexts (e.g. in educational projects) and the roles this entails;
- critical reflection about musicians' own role in society

Parts of the seminar will be interactive. A reader will be given in advance with texts to be read and processed. Students' own presentations will be part of the Seminar

**Teilnehmeranzahl: max. 12 Studierende**

Mo, 16. Januar 2017, 19-20.30 Uhr (EG12)
